Once you find something you're interested in, click on the book title and you'll be taken to that book's specific page. You can choose to read chapters within your browser (easiest) or print pages out for later.

Cambodian English Glossary

The largest such glossary compiled to date, it includes some 10,000 words, with definitions that are useful and complete at a general level, beyond the specific context of the published readings. Although less comprehensive than a dictionary, it fills an important purpose as an inexpensive aid for speakers of either language.
