Law governing surrogacy assumes great importance in India because India has often been termed as the 'surrogacy capital of the world'. Prior to 2008, surrogacy (essentially commercial) was being briskly carried out in India without any efforts by the Government to set up a statutory regulatory mechanism.

Surrogacy Laws in India - Past Experiences and Emerging Facets

Surrogacy, commonly referred to as surrogate motherhood or even womb for hire, is a practice allowed only in a few countries around the globe. For this reason, prospective parents from anywhere in the world decide to have a baby via surrogacy in a foreign country, and therefore fulfill their dream of becoming parents. Unfortunately, there is no global law that regulates surrogacy worldwide.
