team is well motivated and most have over a decade of experience in their own areas of expertise within book service, and indeed covering all areas of the book industry. Our professional team of representatives and agents provide a complete sales service supported by our in-house marketing and promotions team.

The Elecraft Kx2 Ultra Portable

A: The KX2 has many of the same features as the KX3, but it's about half the size and weight, making it ideal for ultra-light portable and "stealth" operation. It covers all HF bands (80-10m), with SSB, CW, and data modes, with up to 10 W output from its internal Li-ion battery. Controls are lower in profile.

KX2 Transceiver - Elecraft

KX2 Fully Portable Transceiver Firmware and Utility Important - Please read before installing the latest Production Firmware MCU 3.00 / DSP 1.52, 6-8-2020. All KX2's ordered today will have Production Firmware loaded as they come out of the box. Monitor the Elecraft Email Reflector where announcements are made when new releases become available.

KX2 Fully Portable Transceiver Firmware and Utility - Elecraft

All Elecraft products are designed so that you can optimize your system to support it. For example, if you're planning extremely portable activities, you're likely calculating the weight of your pack along with the smallest radio. In that case, the KX2 is the radio to choose.

KX2 vs KX3: Which one should I buy? - Elecraft

The Elecraft KX2 is made for portable and Summits On The Air (SOTA) type operation, but I'm pretty impressed with it's transmit capability so far. KØPIR Elecraft KX2 purchased used. Upgraded Elecraft KX2 Aluminum CNC VFO Knob available on E-Bay Elecraft KX2 Standard Features

KE7X

Pedestrian Mobile with the Elecraft KX2 I believe Wayne N6KR of Elecraft realized a life-time dream with the introduction of the KX2 ultra-portable. We thought the KX3 was small. The KX2 is small enough to hold in your hand like like a Handie Talkie.

N4KGL - RaDAR: Pedestrian Mobile with the Elecraft KX2

I found out in 2011 that Elecraft was working on a small, ultra portable HF/2m SDR rig and my interest was immediately piqued for quite a few reasons. First, as an owner of the K3, I was confident that any new transceiver that Elecraft put out would have terrific specifications.

Review of the Elecraft KX3 Ultra Portable HF/2m ...

It's an Elecraft, and a worthy offspring of the venerable K3. It just works very well and portable ops will love it. It functions just as you'd expect an Elecraft rig to, and maybe that's the highest praise it can be given. Speaking of portability, one of DFARG's operators has figured out an easy way to mount a KX2 or a KX3 on a car dash.

Hands-on with the new Elecraft KX2 | KK4DSD

The Portable Elecraft KX3 -- Going for the Summit with the KX3 and KX3-2M/4M This 6" x 9" spiral bound hard copy is designed to go on the road or to the summit with you. It fits nicely into Rose's KX3 case.

The Portable KX3 - KE7X

This may be true sometimes, but it's not always true. Ham radio manufacturers don't recognize the importance of a decent operating run time from internal batteries, or the ability to recharge those batteries, without grid power. For example Elecraft offers one of the most amazing portable radios on the market, the kx2.

Portable power and field communications - OH8STN Ham Radio
